Ammunition supplied to Army

407. SHRI VIREN J. SHAH: Will the PRIME MINISTER be pleased to state:

(a) whether the army had received in 1990 ammunition worth Rs. 19.06 crores from a foreign supplier whose normal shelf life had already expired;

(b) what the, the quantity and value of ammunition received;

(c) when and from which country this ammunition was purchased and at what cost;

(d) the derails of amount so far paid;

(e) what is the normal shelf life of this ammunition and what are the reasons for which it was accepted when is shelf life had already expired;

(f) what steps have been taken to recover damages/penalties from the supplier for suplly of such an ammunition and what in the amount of such damages or penality amount recovered or proposed to be recovered and

(g) how has this ammunition been utilised or proposed to be utilised?

THE .MINISTER Or STATE IN THE MINISTRY OF DEFENCE (SHR1 MAL LIKARJUN); (a) to (C, A quantity of 46.700 rounds of .ammunition was rece ived between 1988 to 1990 against two Delhi contracts of 1987with a company of the former USSR. Out of this quan tity, 18.900 rounds valued at Rs. 19.06 crores suppllied in 1990 were fonnd to have been manufactured between 1973 to 1981.

(d) An amount of 823542.42 Roubles has so far been paid for this ammunition towards repayment of credit.

(c) As per the practice adopted by DGOA the normal shelf life for this ammunition is 10 years from the date of manufactuire. However, when the matter was *ta*ken up with the Soviet/Russian 'authorities. they had clarified that imm- unition of the same vintage was still held in ex- went lots, in use with the Soviet Army and was thus, fully serviceable.

(f) In view of the position explained by the Soviet authorities no damages]pen-alties have been levied.

(g) A major portion of the ammunition has been issued to various Ammunition Depots to make up the deficiencies against the War Wastage Reserve (WWR) of the Indian Army, and the balance is held in stock by Army Ordnance.
